Looking after your Eezi Quartz countertops

Eezi Quartz is easy-going and doesn't need a lot of attention to keep its good looks. To clean Eezi Quartz use warm water and a mild detergent, or a spray-and-wipe-type cleaner for the best results.

Low Maintenance: Unlike marble and granite, Eezi Quartz doesn't need sealing. If you need more than a mild detergent to get rid of stubborn marks use a nonabrasive cream cleanser, such as our Eezi Quartz Cream Cleanser or liquid Chemico, and a non-scratch pad. Always rinse with clean water to remove any residue. **Heat Resistant:** Eezi Quartz is quite heat resistant, beating most man-made surfaces and even marble and limestone. Anything below 100°C should not damage the material, however Eezi Quartz can burn or warp if exposed to sudden high temperature changes. Because it's better to be safe than sorry, we recommend that hot pots and pans never be placed directly on the surface. Rather use a hot pad or trivet on the surface and under cooking units such as electric frying pans, crock pots, or roaster ovens. **Cleaning Agents to Avoid:** Eezi Quartz can be permanently damaged if it's exposed to unduly strong chemicals and solvents. Never clean your Eezi Quartz countertops with products that contain trichlorethane or methylene chloride, often found in paint removers. Rather avoid using aggressive cleaning products like oven cleaners and dishwasher cleaning agents. Products that contain oils or powders may leave a residue and should be rinsed off thoroughly. If your countertops accidentally get exposed to any of these damaging products, rinse immediately with clean water to neutralize the effect.

6 year limited commercial warranty

15. Spots or blemishes which are inherent in the manufacturing process and do not affect the structural integrity of the material.
16. Material that has had a natural deterioration of colour over time, due to normal but extreme environmental conditions.

Procedural aspects in respect of the warranty:

In order for the Warranty to be effectual it is essential that this Warranty is fully and accurately completed by the Purchaser. Prior to doing so it is incumbent on the Purchaser to ensure he/she/it is satisfied with the Product and the installation thereof. Furthermore, it is incumbent on the Purchaser to ensure that the original Warranty headed - "6 YEAR LIMITED WARRANTY (COMMERCIAL)", (which can be downloaded from the website) has been read, understood and accepted, and that the completed warranty registration is returned to the Distributor within 28 days of the installation.

The completed warranty registration should be returned to the distributor by email to the following address eeziquartz@interslab.co.za. Upon receipt of the warranty registration by the Distributor, acknowledgment of the registration will be sent back to the email address from which the registration was sent. This acknowledgment will serve as proof of registration.
