The Affordable Countertop Solution

When your wood, laminates and scratch-easy surfaces let you down, you know it's time to look for a more durable surface. Eezi Quartz countertops offer you a good-looking kitchen or bathroom finish, with the promise of durability.

Why Choose Eezi Quartz?

Quartz is one of nature's hardest minerals, making it a good choice for a durable surface. Each Eezi Quartz surface is made of quartz aggregate, which is why it can last so long and still look so good! Our countertops come in 20mm thick slabs and are great for kitchen countertops, bathroom vanities and backsplashes. With many popular colours to choose from, and a 15-year warranty, you are bound to find an Eezi Quartz countertop to suit your home interior.

Iceberg

*Just like you wouldn't marry someone without meeting them first, if you're doubtful, rather go and meet your future Eezi Quartz countertops in person before buying and installing. Eezi Quartz surfaces are available in 20mm thickness.

Warranty

Eezi Quartz is easy-going and doesn't need a lot of attention to keep its good looks. But, it's nice to know that there is a warranty in place should anything go wrong. Eezi Quartz offers a 15-year residential warranty and a 6-year commercial warranty.

Care & Maintenance

Cleaning your Eezi Quartz engineered quartz surfaces is a breeze. Unlike marble and granite, Eezi Quartz doesn't need sealing. If you need more than a mild detergent to get rid of stubborn marks use a non-abrasive cream cleanser, such as our Eezi Quartz Cream Cleanser, and a non-scratch sponge or pad. Always rinse with clean water to remove any residue. Cream Cleanser NOT TO BE USED on textured Eezi Quartz surfaces such as Fawn, Cremalat, Misty Pearl, Grigio Cemento, & Wrought Iron. For removing stubborn marks on your textured surfaces, we recommend using the Eezi Quartz Spray Cleaner. Spray the marks with the cleaner and allow the solution to work for about one minute, then wipe with a damp cloth followed by a dry cloth. Make sure your counters are shaded from windows with direct sunlight.
